I WANT YOU TO JOIN THIS CAR CLUB!

The Shenandoah Valley British Car Club, Ltd. is dedicated to the preservation and promotion of British motorcars. Our membership is comprised of men and women of all ages from Charlottesville, Waynesboro, Staunton, Harrisonburg, Lynchburg, Lexington, and as far away as England! We are open to all marques from AC to Wosley.

This organization was founded in the summer of 1981 as a local chapter of the Triumph Register of America, the Shenandoah Valley Triumph Association.

This group opened the membership to all British marques, and it became the Shenandoah Valley British Car Club. We began our Annual Fall British Car Festival in 1982, and it is now one of the oldest on the East Coast. Our membership is comprised of approximately 100 family memberships.

CLUB ACTIVITIES

We love to drive our cars!

Each year our club sponsors the Annual Fall British Car Festival in conjunction with the Waynesboro Fall Foliage Festival. Our members also participate in other car shows both locally and nationally. We enjoy touring in caravans, participating in parades, rallies, auto crosses and other activities.

What can we do for you? You are encouraged to participate in all our activities! We offer technical information, tips, and the moral support necessary in maintaining your British car. You may even find some physical help as most members don't mind getting dirty while working on British cars! We can help you locate those hard to find parts or an entire car if you don't currently have one.

We have monthly events and try to keep the business portion to a minimum so we can spend most of the time enjoying our British cars and each other's company. We like to find fun and interesting events to which we can drive. For the time and location of our next meeting, or for more information, go to our website at <http://svbcc.net> or call 540-456-8436 or 540-943-1236.
